

Looking for an interesting trip for your class?

Don't have an idea for a winter trip?

Want to integrate with your classmates and train your skiing or snowboarding skills with passionate instructors at the same time?

You are in a right place. One of our main point in EH School offer is an organisation of winter sport camps for children and young people. We have long experience and heads full of ideas so our trips are attractive, safe and exciting. Every participant of a winter camp will certainly have a great time, improving skiing or snowboarding at the same time. Apart from trainings on the slope, we also give lectures, presentations, contests, and plays and games of different types for our participants. We will prepare a program where boredom won't have its place. Every pupil will find something that interest him or her the most thanks to varied forms of entertainment. Our instructors have a vast knowledge and know a lot of anecdotes and fun facts connected to skiing. They will certainly share it with you and answer all your questions. Practicing skiing and snowboarding with Eh School is a combination of entertainment and professional courses.

Check our offer below and watch a video promoting our winter trips for schools.
