

We are a professional and original travel agency and we provide trips not only to the most beautiful places in Poland, but also a lot of tours abroad. The most important thing is that, apart from accommodation, board and insurance, we offer emotions connected to doing extreme sports and a number of additional attractions - such as crazy parties with the best DJs and different fun and games which help to integrate all members of a group. We're sure everyone will feel great with us. The crucial thing is to choose appropriate trip, taking into account your interests, the aims of a trip and a squad you want to take with you. In EHSchool we have propositions of camps, from which everyone can choose something suitable.

We organise incl. holidays for whole families during which we teach snowboard, ski, wakeboard and others. We propose also group trips, sports camps for children and youth, students camps, skiing and snowboarding trip for adults, holidays for single people, and company retreats.

If you know which proposition interests you the most, there is also one very pleasant choice to make - your destination. You can find a lot of interesting possibilities in our offer: skiing and snowboarding trips to Val di Fiemme and other Italian resorts, wakeboard in Turkey and Thailand and also off-piste skiing camp in Georgia. It is only a part of our trips so necessarily check our offer.
